TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Newington in the County of Rockingham and said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the Eleventh day of March next at twelve o'clock noon, to act upon the following subjects:

1. To choose in the manner provided by law, a town clerk; one selectman to hold office for three years; assessors of taxes; overseers of the poor; a town treasurer; a collector of taxes; a superintendent of the burying grounds; auditors; highway agent; library trustee, to hold office for the next three years; a trustee of town trust funds to hold office for three years.

2. To choose measurers of wood; surveyors of lumber; fence viewers; a pound keeper; police chief; police officers; constables and all necessary town officers.

3. To hear the report of the budget committee, and act thereon.

4. To see what sum of money the town will vote to raise and appropriate for all town expenditures for the year ensuing (as included in the budget).

5. To see what disposition the town will vote to make of the town land and buildings.

6. To see if the town will vote to authorize the selectmen to administer, or to dispose of, any real estate acquired or to be acquired, by the town through tax collector's deeds.

7. To see if the town will vote to authorize the selectmen to hire money on the credit of the town, in anticipation of taxes; at a rate of interest not to exceed the going bank rate.

8. To see if the town will vote to accept the Zoning Ordinance, as recommended by the Planning Board.

9. To see if the town will vote to accept the Building Code, as recommended by the Planning Board, pursuant to Chapter 176, Revised Laws, 1942, Section 18 to 21 inclusive.

10. To see if the town will vote to authorize the selectmen to appoint a Building Inspector and to set the amount of annual pay, as recommended by the Planning Board.

11. To see if the town favors or opposes the establishment of a military air base in Newington, N. H.

12. To see if the town shall direct the selectmen to communicate with the Secretary of Defense for Air in Washington, D. C., and record with him the vote taken by the voters in regard to the estoblishment of a military air base in Newington, N. H.

13. To see if the town will vote to raise and appropriate the sum of Five Hundred and Twenty-Five Dollars ($525.00), to be spent under the direction of the board of Selectmen for a Two-way Radio, to be used by the Police and Fire Departments of the Town in conjunction with the County Sheriff's Department. (Submitted without recommendation of the Budget Committee.)

To transact such other business as legally may come before the meeting.

Given under our hand and seal this 16th day of February in the year of our Lord, one thousand nine hundred and fifty-two.

KINGSLAND DUNWOODY,
WILLIAM H. BEALS,

Selectmen of Newington

REPORT OF POLICE DEPARTMENT

During the year of 1951, the Newington Police Department has to report 8 cases of breaking and entering in the night time. With the help of the Sheriff's Department, and the State Police, we have been able to clear up all but one case.

We have been able to locate 6 missing persons, we have had 7 domestic problems, 3 juvenile problems, 5 prowlers in the night time.

We were able to locate 1 person who had been dumping rubbish on the side of the highway.

We found 2 places of business with open doors after closing hours. We have had 8 persons under the influence of liquor. Fifteen motor vehicle charges.

We have warned 4 persons about driving after drinking, 1 drowning at Peverly Brook, 6 motor vehicle accidents, 1 person driving under the influence of liquor, and we have had 3 calls for dogs to be disposed of.

The town of Newington received from the governor's Highway Safety Council, a citation signed by Governor Sherman Adams and Motor Vehicle Commissioner Frederick N. Clarke, for no fatal accidents and a reduction in motor vehicle accidents. Hope the town can continue this good record.

I wish to thank the members of the Police Department for the fine work, and co-operation during the past year.

Respectfully submitted,

WILLIAM A. LaBONTE,

Chief of Police.

FIRE DEPARTMENT REPORT

During 1951 the Newington Fire Department answered a total of fifteen calls. Nine calls were in Newington and consisted of two dwelling fires, one flooded oil burner, four chimney fires, one drowning and one lost child. We answered two calls to Greenland, two calls to Dover and one call to North Hampton and one call to Portsmouth.

We were very fortunate in having no woodland fires due to the ample moisture during the fire season and also the spendid cooperation of the townspeople in the careful use of outdoor burning.

I wish to take this opportunity to thank the members of the Fire Department for another year of excellent cooperation and work and particularly to compliment them on the wonderful work done on the MacFarland fire. We also wish to thank the Newington Police Department for their assistance at fires.

We are proud of our Dept. and the townspeople can help us maintain a good record and reputation by being careful with fire and by calling us as quickly as possible in the event of a fire.

Respectfully submitted,

GRANVILLE S. KNOX,

Acting Chief.

REPORT OF SCHOOL COMMITTEE FOR 1951-1952

During the summer two members of your school board, Margaret Martell and Carl Lundgren, moved out of town and the vacancies were filled by appointment.

We are fortunate in retaining the services of the same teachers, Miss Pickering and Mrs. Hopkins. It is advantageous to the pupils not to be upset by frequent changes in the teaching staff. Our thanks go to them, to our superintendent, Mr. Gillmore, to Mrs. Henry, our music teacher, and to Mrs. White, school nurse, for their splendid cooperation.

We commend the drivers of the Marshall Transportation Company for safely driving our children to and from school. We also wish to thank Mr. John Hoyt for faithfully discharging his duties as janitor.

The library has been fully utilized to supplement the children's school work. We wish to thank Mrs. Greenough for her wise selection of books and her patient advice to the children.

Our children continue to enjoy the skating rink which was developed a year ago as a P. T. A. project. We are indebted to Mr. Holden for the use of the fire truck for the conveyance of water.

As we look to the future we ask your thoughtful consideration of the problems that may face us as our enrollment increases due to the proposed airbase. We believe that if our enrollment exceeds 30 pupils in each room we should have a third teacher in the north room.

The school board meets on the third Friday of each month at 7:30 p. m. at the school house. Parents are invited to attend and bring suggestions for improving our school.

We are proud of the scholastic achievements of our students that are attending Portsmouth Schools. We have received word that Granville Knox is tied for second place in the boy's division, Eva Hathaway is in second place in the girl's division and Susan Moulton is within the top eight of her class.

We are very proud of the progress that these children are making in the Portsmouth Schools.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Newington School Board:

I herewith submit to you my twenty-second report as Superintendent of your Schools.

The current year began on Wednesday, September 5, 1951 with an initial enrollment of 49 pupils in grades one through six. This compares with a like figure of 54 the previous year. Seventeen pupils in grades seven and eight registered in the Portsmouth Junior High School, with nine more in the ninth grade. Thirteen more enrolled in the three upper grades at the Senior High school. Newington was responsible, in the Fall term, for 39 tuition pupils.

The federal government, by Public Law 874, has recognized its obligation for assisting in educating the children of its employees. By this law, funds are allocated to the school districts in proportion to the number of pupils who are educated by the district and whose parents work in government projects. How this law may be affected by the proposed base in Newington is uncertain. However, for present year, this means that the district will be entitled to aid in the school cost for children whose parents work at the Portsmouth Naval Base. Application has been made to the federal government for this aid and word has been received from Washington that the application is being processed. The amount depends upon the current costs of our own schools, ability of the district to pay and the number of pupils affected by this law. Part of the funds should be received during the current year. The complete aid cannot be received until the following year since the amount is based upon the data of the complete school year.

We have no way of foreseeing the impact of increased

federal activity upon our school. If enrollment is suddenly increased, a problem will be presented. It may be that increased registrations will mean additional teachers. It may be that a transient group will enter our schools. This will offer difficulties of assimilation with our present pupils, socially and scholastically. Children coming from various districts, with varied preparation and uneven achievement, must be fitted into our program. This situation will require skill on the part of our teachers, adaptability among our children and patience on the part of everyone concerned.

As an improved service to the children of our school, Keystone Visual Survey Telebinocular has been purchased by the Lions Club of Hampton. This machine measures more accurately the eyesight of our pupils. Fourteen different tests are given measuring defects found throughout the country among chool children. A more accurate testing will result from this service.

The Parent - Teacher Association of Newington is a valued ally of the schools. It has ever been helpful in buying us modern equipment and aids. More valuable still is the knowledge that they are a real help in interpreting the purposes of the school to the community. We shall need this help during the next few years, especially when the conditions under which we shall work will be trying.

The winter meeting of Union No. 21 voted to establish a library of film strips. This library will be purchased by the seven towns of the Union for the use of all schools of the group. By joint purchase, we shall all have the benefit of a large number of films which the individual districts would be unable to buy with their limited finances. Film strips are strictly study pictures, illustrating processes in the fundamental subjects. The children enjoy them. Pictures are remembered more easily than words. By so much our teaching will be more efficient. The Par-

ent-Teachers' Association has already presented the school with the projector for these strips.

The achievement of our pupils is being measured by tests standardized on a national and regional basis. The tests used are those most widely recognized as authoritative. Our standards of teaching are those of approved school authorities. I believe the results of our teachers' work are good. We shall continue to take advantage of every improvement that is developed and can be efficiently used by our pupils in order that our graduates may successfully compete with their fellows.

For the cooperation of School Board, teachers, parents and pupils I am grateful. With such cooperation, our schools must advance to ever higher standards.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

January 29, 1952.
